

Highway Construction Careers Training Program

The Highway Construction Careers Training Program works to increase the number of minorities, women, and disadvantaged individuals working on Illinois Department of Transportation highway construction projects. Our goal is for you to have the opportunity for a career with high wage potential.

Intensive 12-week program. Learn the skills necessary for acceptance into the highway construction trades.

Career opportunities:

- Cement Mason
- Electrician
- Pipefitter
- Carpenter
- Laborer
- Equipment Operator

Requirements:

- Valid driver's license
- 18 years or older
- High School diploma/GED
- Drug Test (we test for THC)
- Interest working in the Construction Trades

12-Week Free Program!

All orientation and assessment testing will be at:
Kankakee Community College Riverfront Campus
100 College Drive, Kankakee
Please see the address below.

Interested?
